

## Mobile phone policy

*The mobile phone policy states:*

- Students should not bring their mobile phones to school
- If you find it necessary that your child or children bring their phone(s) with them they must turn the phones in during their registration period to their tutor or give them to the building administrator if they arrive to school after the registration period is over. Their phones will then be returned to them at the end of the school day
- Brook Hill International School will not be responsible for any damages that occur to mobile phones

*Consequence for not following this policy:*

- If any student is caught using their phone on school grounds, their phones will automatically be confiscated and turned into the office
- It will then be your responsibility to come and pick up your child's phone no matter the number of occurrences
